

SCIENCE Children's Museum & Exploration Dome FACTORY

2011 Summer Camp Scholarship Information

Scholarships for Science Factory summer camps are available to those who qualify thanks to generous donations from business sponsors, community organizations, and individuals.

Scholarships may be used for any Science Factory camp. Funds are limited and scholarships are awarded on a first-come, first-served basis. Limit one scholarship per student.

Please note that scholarships apply to camp tuition cost only. Extra supply fees and any extended care costs are not covered by the scholarship.

To apply:

A scholarship application **and** documentation of need are required. Need is usually documented by a copy of the student's eligibility for the federal free or reduced lunch program.

Typically, if students are eligible for federal **free** lunch, the scholarship is for 100% of tuition. If students are eligible for **reduced** lunch, the scholarship is for 50% of tuition.

If eligibility for the federal lunch program is not an option for showing need, alternate documentation can be provided. Examples of alternate documentation include:

- Oregon Health Plan enrollment
- Food stamp program (SNAP)
- TANF Temporary Assistance for Needy Families
- Welfare
- WIC Women Infants Children

Alternate documentation will be reviewed and approved on a case-by-case basis.
