

Volunteer with the Science Factory!

WHAT MAKES US SO SPECIAL?

The Science Factory is the only children's museum and planetarium in Lane County. We are dedicated to playful learning, scientific exploration and hands-on/minds-on activities for each and every visitor.

We provide thousands of children with the opportunity to explore their curiosity and creativity through our ever-changing exhibit hall, innovative educational programming, planetarium, computer laboratory, classroom, thematic special events, field trips and summer adventure science camps.

As a non-profit with a small staff, we are dependent on volunteers. With your help, our museum will grow to enrich the lives of our children and community.

engage • excite • inspire

OUR VOLUNTEER PROGRAM OFFERS:

- Basic orientation and training program
- Experience engaging children and families in hands-on science activities
- Continuing learning opportunities
- Opportunity to earn a Science Factory t-shirt, a discount at the museum store and a family membership that can provide free admission to science museums across the country
- Valuable resume-building work experience
- The chance to inspire young minds

If you are interested in becoming a part of the volunteer program, please fill out the volunteer application on the reverse side and mail or fax it to us, or bring it by. Need more information? Call us at 541-682-7888.

We appreciate your interest in the Science Factory.

WE HAVE A PLACE JUST FOR YOU!

Your smile, your skills, your inquisitive imagination, and your time—we value and welcome you.

Our needs change, but we are always interested in talking to people who have skills or interests in the following:

- Teaching
- Retail/Merchandising
- Clerical/Office
- Gardening
- Exhibit Construction or Maintenance
- Expertise in science

Think you have something to offer that's not on the list. Call us! We'd love to hear about it. Or come in and we'll find the right place for you.

ABOUT THE SCIENCE FACTORY

Nestled between Autzen Stadium and Alton Baker Park, the Science Factory Children's Museum and Exploration Dome is where learning and fun go hand-in-hand!

Our mission is to engage, excite and inspire children toward a lifelong love of learning about science, technology and humanity. With continually changing hands-on exhibits and an Exploration Dome that serves as a planetarium and a full dome science theater, the Science Factory provides a wonderful opportunity for children to explore, create and discover.

The Science Factory is a tax-exempt, non-profit organization that depends on admissions, membership dues, grants, in-kind donations, special events income and contributions for our success.
